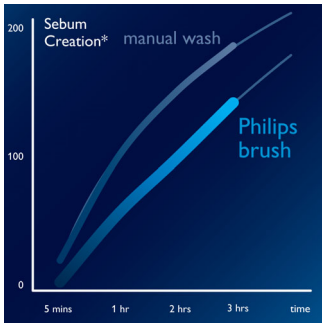
Highlights

Oil-control brush head



The rotating brush, that you use in combination with your own daily cleansing products, gives longer lasting oil-control effect which contributes to a healthy looking skin.

Silky Soft Bristles

The silky soft bristles, made of 17000 fibers and each of them is only 50 microne in diameter, are as gentle as your hands

Pivot Contour Following
Constantly keeps the brush in close contact with your skin and reaches all hard to reach areas
